

TIGER Drylac®

# essentials

# essentials

**TIGER Drylac U.S.A, Inc.** is part of a global organization with offices in over 35 countries and manufacturing facilities in Europe, Asia, North and South America. Research and Development centers in Europe, Asia, and North America are always striving to produce better products as well as develop new products to meet the demand of our world-wide customer base. TIGER Drylac U.S.A., Inc. has three manufacturing facilities and seven warehouses strategically located throughout the United States.

**Aesthetics** – the attractive and comprehensive range of colors, finishes, and surface effects offer our customers the largest ranges of options in the industry. TIGER Drylac U.S.A., Inc. has over 1000 standard products.

**Quality Assurance** – all internationally acknowledged test methods and quality standards are used during our manufacturing process. Quality control engineers monitor and approve powder production throughout the manufacturing process.

**Environmental Friendliness** – TIGER Drylac Powder Coatings comply with the highest demands for environmentally friendly coatings. TIGER's 40 years of experience in formulation and technology ensure compliance with all current and future environmental guidelines.

---

Series <b>16</b>	Exterior and Interior	Acrylic Hybrid
Series <b>38</b>	Exterior and Interior	Super Durable Polyester
Series <b>39</b>	Exterior and Interior	TGIC Polyester
Series <b>44</b>	Exterior and Interior	Polyester Urethane
Series <b>49</b>	Exterior and Interior	TGIC Polyester
Series <b>59</b>	Exterior and Interior	TGIC-Free Polyester
Series <b>69</b>	Interior Only	Epoxy

### NOTES

**Data and MSD Sheets:** Datasheets and MSDS are updated periodically and are available from TIGER customer service or on our web site at [www.tigerdrylac.com](http://www.tigerdrylac.com).

**Package Size:** Products are available in either 44 lb. or 55 lb. boxes depending on the product. All products are also available in 5 lb. minipacks.

**Custom Colors:** Since our stock colors do not meet all of our customers needs we provide a custom color matching and development service. With quick turn around and minimum quantities TIGER should be able to meet your color needs. Contact TIGER customer service or your local sales representative for assistance.
